Corporation Formed To Promote College For City and County

A group of Hazard business men have formed a corporation for the purpose of promoting and obtaining a community college for Hazard and Perry County. The recently organized corporation is known as The Hazard Community College Corporation and is empowered by its charter to acquire land and other facilities for the purpose of erecting an educational institution.

The new corporation will endeavor to select and acquire sites that would be suitable for a college complex and will work with the University and its various committees as representatives of the people of Hazard and Perry County. The legislature has appropriated money for the building of a community college in the Kentucky River Valley, and a number of studies have been made to determine the location of the college. As yet no definite site has been selected and this new corporation is for the purpose of assisting the University in seeing that the proper location is made and that the location will be in Hazard and Perry County.

The incorporators of the new corporation are Dewey Daniel, M. K. Eblen, R. H. Kelly, A. R. Barber, Cooley Combs, Eli Boggs, Lee Crutchfield and Wm. B. Sturgill.

Mr. Daniel, Chairman of the Board of the new corporation, said, "With the passage of the Appalachian Bill and the obtaining of money through Federal Grants and State matching money, the road building program that has long been needed in East Kentucky is on its way. Now what East Kentucky and Hazard need is a good community college and we shall use all effort to see that the facilities here in Hazard are properly offered to the University to the end that the college will be located in Hazard."

Wm. B. Sturgill, President of the newly formed corporation, said, "The community college system has become a strong arm of the University and to the cause of education in Kentucky. There is no greater need in Kentucky today than the strengthening of our educational program and a community college is needed in Hazard and Perry County in order to further the cause of education and provide the opportunity for more of our young people to obtain a college education. We have made considerable progress in education in the primary, secondary and college levels in Kentucky, generally, and this progress should come to Hazard through the community college system."

It was announced that the corporation has selected many sites that will be visited in the near future by representatives of the University and its Board of Trustees.

The men all met fines for the illegal sport in Kentucky.

U.M.W.A. Steps Up Organizing Drive In Hazard Coal Fields

The United Mine Workers of America is stepping up its organizing drive in the Hazard coal fields with the assignment of special new organizers, union officials told a union rally of about 200 people Saturday.

The new organizers were to go to work today.

Union officials told the crowd that filled the Allais union hall that "we'll take care of" workers who stage successful strikes at their mines.

The current drive was billed as a last-chance opportunity for miners in the Hazard field to join the union.

District 30 President C. E. Beane of Pikeville said the spirit of unionism still ran strong in this area, and that "we're not going to stop until we are convinced in our own minds that the people don't want it."

Union spokesmen pointed to three large mines in the area —Blue Diamond at Leatherwood, and Southeast and Elkhorn-Jellico Coal Companies in Letcher County—as targets of the drive.

They said an election in which workers at Southeast would pick their bargaining agent was not far off.

The union is also "working on" smaller, independent mines in Perry County. Operations owned by Bill Sturgill and Dick Kelly, both of Hazard, were mentioned by name.

One union official charged that some miners made as low as $4 a day, and that some operators failed to meet their Social Security obligations to the workers.

He said wages and working conditions for many miners were worse now than they ever were.

The union officials strongly endorsed Berman Gibson's candidacy for the Democratic nomination for sheriff of Perry County.

"The union has been forced into politics and we're not going to apologize. We're going to fight the enemies of labor," one speaker said.

Perry Bond Sales Total $77,842 for Four Months

According to Mr. Dewey Daniel, Regional Chairman, Sales of Series E and H Savings Bonds in Perry County for April totalled $15,767, while sales for the first four months reached $77,842 of the annual goal of $307,800.

Kentucky's sales for April were $4,445,540 while cumulative sales for the year reached $18,838,830 of the annual goal of $54,000,000.

Nationally, the sales of Series E and H Bonds totalled $391 million. The cash value of both series outstanding reached a total of $48,669 million or a gain of $304 million since the first of the year.

The Honorable Edward T. Breathitt, Governor of Kentucky, and Honorary Volunteer State Chairman, has stated as follows: "Chances are you live a little better because of the U. S. Savings Bonds Program—because so many people in our State buy Bonds and eventually redeem them to buy things for which they have saved. During the last 24 years, many billions of dollars have flowed back into the economy of the State and the Nation in this way. These dollars have benefited our merchants, manufacturers, and builders. And in so doing have created jobs and improved earnings for countless workers—in our cities and farming communities alike. The people of our State and America today hold a record of over $48 billion in Series E and H Bonds —money that will someday be spent in worthwhile ways to help us grow further. I urge every one of you to help your future and the future of your State by investing regularly in U. S. Savings Bonds."

Leatherwood Homemakers Meet, Discuss Drying Plants

Mrs. Ruby Brashear was hostess Thursday night, May 13, at her home to the following Leatherwood Homemakers Club members: Mrs. Paul Brashear, Mrs. Denny Brashear, Mrs. Lennis Whitaker, Miss Grazia Combs, Mrs. Wise Coomer, Mrs. Denver Miniard, Mrs. Fredi Angel and Mrs. Susie Angel and one guest, Mrs. Joe Osborne.

An interesting devotion was given by the Miss Grazie Combs. She stressed the great handiwork of God's Creation emphasizing the wonderful beauty of our surrounding world taken from the book of Samuel II.

The lesson was given by Mrs. Denny Brashear and Mrs. Wise Coomer. Many of our summer flowers can be dried for beautiful arrangements that can be used all year round.

Choose flowers at their greatest color not over ripe, pick at high noon, keep in dry room, from bright light.

The following dry most satisfactorily: Bachelor button, Baby breath, Dahalia, Zinnia, Roses, Larkspur, Marigold, pansies, Hydrangea, Aster and Geranium.

Nature's own dried material can be collected and hung to dry, heads down in dry dark room such as: pine cones, nadina berries, bittersweet, money plant, milk pods, strawflowers, sumac, thistle, dock, cat tails (gather in July) okra pods.

A hint—be sure to keep an eye out for insects and spray in rooms where the drying process is being done.

Following are the needed recipes: borax mixture—one part borax to six parts corn meal (or clean white sand), use shallow boxes, cover flowers heads to a depth of two inches—remember to cut stems and dry separate and wire back to the flower when dried.

Glycerine: one part to three parts of water; crush ends of stems of magnolia, beech, ash, boxwood, sycamore leaves, keep in this solution for two weeks, brushing leaves with this mixture every four days—this will make gorgeous arrangements for your home at little cost.

Remember drying flowers takes patience and care plus interest, don't expect to be an expert too soon as the experts have been drying for years.

TIPS—don't crowd too many into your arrangements, use the ones which have good color, texture and shape, also don't forget your container must be suitable for your material.

This is a creative art, so plan to work on this during the summer months when much is available.

Local Ladies Attend Graduation at Lee's

Mrs. Jake Kimberlin, Mrs. Fred Vescio and daughter Freddi Jane and Mrs. Edna B. Ewen, Lexington, were in Jackson Sunday, May 16, to attend the Baccalaureate-Commencement of Lees Junior College where their sister, Mrs. R. D. Eblen, Lexington, was a member of the Class of 1915 and was honored at that time along with other members of her Class—namely, Mrs. Mary Brophy Trent, Washington, D. C.; Mrs. Mary Stidham Myers, Stanton and Mrs. Bertha Redwine Jett of Jackson.

Other members of this Class unable to attend were Mrs. Minta Rader Wey, Dayton, Ohio and Mrs. Mary Frasure Siedfred of Cherry Vale, Kansas.

Rev. Troy R. Eslinger, President of the College delivered the Baccalaureate Message at 10:45 a.m. and Senator John Sherman Cooper delivered the Commencement Address at 7:30 p.m. when thirty-six students were graduated from Junior College. At each service special recognition was given the four members of the Class of 1915 and after Senator Cooper's address, Rev. Eslinger presented Certificates of Recognition to the members of the Class of 1915 showing them to be Charter Members of the "Half Century Club" which was initiated at that time.

Following the Commencement a Reception was held in the Van Meter building honoring the Class of 1915 and more than one hundred guests passed through the receiving line to offer their congratulations to these four "Young Graduates" of fifty years. Punch was served along with two large cakes - one bearing the inscription "Class of 1915" and the other "Congratulations Half Century Club". The cakes were cut and served by Mrs. Kimberlin and Mrs. Eslinger while other members of the College Staff served at the two punch bowls.

Mrs. Eblen was accompanied by her husband, R. D. Eblen; Mr. Charles Trent accompanied his wife and Mrs. Myers was accompanied by her brother, Chester Stidham and Mr. H. June Jett accompanied his wife. On Saturday night Mr. and Mrs. Jett entertained the class and their husbands in their home at Jackson and on Sunday they were luncheon guests of Mrs. Myers and her brother at the Lonesome Pine Tea Room. They all remained in Jackson through the weekend to continue their reunion - the first in fifty years - and were warmly received by the people in Jackson they had not seen for many years.

On Monday the Eblens and Trents came to Hazard to spend a few days with the Kimberlins and Vescios and Mr. and Mrs. Joe Brophy, brother of Mrs. Trent, before returning to their respective homes. The Trents will visit with her sister, Mrs. Clara Johnson of Asheville, N. C. before returning to their home in Washington.

Democrat Primary, May 25

To The Voters of Hazard and Perry County:

I, Roland "Chink" Combs, wish to inform the people of Perry County that I am the son of Tilden and Ellen Holliday Combs of Hardburly, Kentucky; that I am a brother of Dr. Lyndon F. (Little Doc) Combs and Tolbert Combs, Commonwealth Attorney. I have lived in Perry County all my life and worked for the Hardy-Burlingham Mining Company and its successors at Hardburly, Kentucky.

I attended Lee's Junior College at Jackson, Kentucky, and the University of Kentucky at Lexington, Kentucky. I served approximately four years in World War II with the 82nd Airborne Division from the time it was activated at Fort Bragg, North Carolina, until the time it was deactivated and we were discharged from the Service.

As a member of the 82nd Airborne Division I participated in seven major battles and have seven combat battle stars and a Presidential Unit Citation for the combats in which I was engaged.

If nominated and elected as your State Representative I shall support all legislation pertaining to:

(1) the betterment of all Health and Welfare programs, additional aid to the mentally retarded and our aged senior citizens,

(2) the improvement of our schools and school systems, with better pay for the teachers and additional facilities for our schools,

(3), the improvement and expansion of our road network system in Eastern Kentucky,

(4), the improvement of all Veterans' programs, especially those pertaining to our disabled Veterans,

(5), the improvement and betterment of our Soil Conservation Program, the clearing up of our streams and preventing the pollution of our waterways, also the conservation of all our natural resources.

Having lived in Perry County all my life and having invested in Perry County all that I own, I believe I understand our problems better than any of my opponents and that I am better qualified to find a remedy for these problems. I will always be available to discuss legislative matters with any person or persons desiring to do so.

Your vote and influence will be greatly appreciated and I will always be grateful to you for any assistance you may give me in this election.

Republican Candidate For

COUNTY COURT CLERK

I do not want a deed for this office; I desire only to be your custodian and humble servant.
Your vote and influence will be greatly appreciated

FAMILY BACKGROUND

1. This is my first race for political office in Perry County.
2. I was born at Krypton, Ky., and educated in Perry County, having gone to school at Big Creek and Buckhorn.
3. Cy Noble was my father who at one time ran for this very important office.
4. May Napier of Krypton, Ky., was my mother, daughter of "Lucinda Begley & Red Bob Napier."
5. Roy Edward Combs of Busy, Ky., is my husband. He is the grandson of "Rod McIntosh."
6. I am 36 years of age and have a daughter going to M. C. Napier High School, and help rear my husband's two children. I understand and appreciate the problems of our young people and the many difficult tasks they face in life.
7. I have 18 years experience at office work, having performed the tasks of bookkeeping, filing and typing.
8. Elbert Strong, was my uncle and served many of you as your County Attorney. C. A. Noble, Sr., also served the people of this County for many years, and his sons continue in the legal profession. One of which also served as your County Attorney.
9. My father worked many years for Sam Campbell in his magistrate's office, and I am sure you remember Dad or Cy when he worked for Sam Campbell.

If elected to this very important office my platform is simple.

1. Everyone regardless of politics is welcome to visit and make the Clerk's office a part of his government and he may change his registration at legal times without any advice or prompting since this is his privilege.
2. To the Attorneys or Lawyers of this area, as well as the people I promise to keep their deed books and mortgage books permanently indexed monthly to make their abstracting safe and easier.
3. I promise to get new index books for the leins books and re-index the books so that if anyone is running the name of Combs or any name they will be able to look under the C page or pages without jumping all over the book to find and abstract their title or research and thereby do away with unnecessary pitfalls.
4. Your records will be respected and protected during my tenure of office.
5. I do not desire a lifetime deed to this office and will only run one term, and will step aside and give some one else an opportunity to serve you people, since I merely want to be your custodian and humble servant.
6. I promise to keep your Clerk's Office open all day on each and every Saturday of the year since I realize that this is the only day of the week that many of our people have a chance to come to town to transact their business.
7. I plan to make myself or my chief deputy available at all times to serve the people.
8. I promise to not absent myself from the office for more than two weeks of the year.
9. I promise to personally observe and keep a firm control over all the tabulation sheets of all election in this County.
10. I promise to run an efficient office, and to buy equipment only with the approval of the Fiscal Court.
11. My staff will be experienced in serving the public and persons whom all of you know and respect.

I ask for your help and support in this Republican Primary Election, and I would love to be your Republican choice for the November Election since I feel that I can be a winner in November if nominated. I plan to visit each and every one of you before the primary election and if I should fail to see you it will be because you were gone when I made my visit.

Any consideration you can show me will be appreciated to the bottom of my heart.

EUGENE JOHNSON
FOR
COUNTY JUDGE
Democrat Primary, May 25, 1965
TO THE VOTERS OF PERRY COUNTY:

I would like to introduce myself as one of your candidates for the office of Perry County Judge on the Democratic Ticket subject to the Primary Election May 25.

I am 36 years old, married and have one daughter, 10, and one son, 8. My wife is Lela June Johnson and we reside on Combs Road.

I am qualified by experience, education and traveling throughout our county. I own my own business, The Eugene Johnson Candy Company, which is very successful.

During recent months, Leslie County has received a $26,000 federal grant for work in their county, and Letcher County was given a similar grant. If elected, I will work toward such a grant for Perry County.

I feel that roads are one of the biggest problems here in Perry County. If elected, I will work for better roads and for any other project which will help the people in our county.

I am qualified, capable and sober and I sincerely ask for your support in behalf of my candidacy.

CALVIN N. MANIS

for
COUNTY ATTORNEY

TO THE VOTERS OF PERRY COUNTY:

Since January, 1962, I have served you as your County Attorney. During this time I have endeavored to perform whatever service that has been requested of me, promptly and courteously, to the best of my ability, trying always to promote the welfare of the people of our county.

I have been available at all times to serve the various courts of our county, including the Fiscal Court, Quarterly Court, Juvenile Court, and the various Magistrate's Courts, and I have endeavored at all times to perform my duties as required by law. I have made several trips to Washington, D.C. and to Atlanta, Georgia, and devoted considerable time and effort toward helping to obtain for the people of Perry County a new courthouse and jail.

It has been a pleasure to work with you and for you and I would appreciate very much the opportunity to serve you for another four years.

On the basis of this record and my experience in this office, I humbly and courteously ask for your vote and support of my candidacy for nomination and re-election to the office of Perry County Attorney.

Your friend,
CALVIN N. MANIS

TO THE VOTERS OF DISTRICT 4:

I, Jesse Paul Engle, wish to announce my filing as a candidate for Magistrate subject to the Republican Primary, May 25, 1965.

I am the son of the late James H. and Lucinda Smith Engle of Troublesome Creek, Ary, Kentucky. While I was still quite young my family moved to the Bulan community where I have continued to live and make a home for my wife and me.

I am married to Ella Hughes, daughter of Zack Hughes, deceased and Martha Stacy Hughes.

I submit the following in support of my candidacy making it possible for you, the voters of Disrtict 4, to decide as to whether I am qualified to serve as your magistrate:

I am a veteran of World War II, having served with the Ninth (9th) Troop Carrier Command, European Theater of Operations, and received a medical discharge in 1945.

I have been engaged in private and public accounting while employed with the Smith's Shopping Center at Bulan, Kentucky for the past 15 years.

I am a graduate of Dudley High School and attended Lee's Junior College, Jackson, Kentucky and Bowling Green Business University, Bowling Green, Ky.

If nominated in the Republican Primary on May 25, 1965, and elected in the General Election in November 1965, the following will be my efforts:

To work with the Fiscal Court in an effort to improve the image of our county at Home and on the State and National level.

The recent passage of the Appalachian Anti-Poverty Bill makes it necessary for our people to elect those county officials that are best qualified to aid and use All agencies in obtaining the best and greatest benefits for our people.

If nominated in the Republican Primary on May 25 and elected as Magistrate of District 4 in the General Election in November:
I will maintain a modern and up-to date record of all business transacted by my office, and will publish a quarterly statement of all revenue collected and expended.

If this brief statement of my background and proposals, elected, make me worthy of your confidence and vote, I will be most humble and grateful.

When casting your vote on May 25, make sure you are voting for these candidates that are best qualified and trained in executing the fiscal affairs of our county.

Respectfully submitted
JESSE PAUL ENGLE

FOR

County Court Clerk

MAY 25, 1965
DEMOCRATIC PRIMARY

As most of you probably know, I am a candidate for the nomination of County Court Clerk on the Democratic Ticket, subject to the May 25th Primary. For Years I have had a desire to serve the people of my home county in this capacity.

Having been a school teacher for seven years, and a bookkeeper for over 21 years, I am qualified to serve in this office.

I am the son of Matt Deaton, a retired railroad foreman, and Lillie May Deaton of Chavies, Ky.

I am married to Gretchen **Noble** Deaton, daughter of the late Solomon Noble and Mattie **Deaton** Noble of Haddix, Kentucky. We have 2 children, Earl, Jr., (PODY), presently serving in the Army overseas, and Phyllis Anne, a junior at Hazard High School. My family and I have lived the past 16 years at Tilford, Kentucky.

If nominated and elected to serve the people of Perry County in this important office I pledge the following:

1. To employ only qualified personnel to staff my office.
2. To give prompt efficient service to all regardless of your political affiliation, race, creed, or color.
3. To give my fullest cooperation to the Attorneys, the Purgation Board, the Fiscal Court, and all other government agencies in Perry County, so long as it shall be to the best interest of the people of Perry County.
4. To preserve, keep, and protect all the records of this office at all times.
5. To devote my full time to the operation of this office.

Any support you can give me will be greatly appreciated.

EARL M. DEATON

VOTE FOR HOMER EVERSOLE

FOR COUNTY JUDGE

Four years ago I asked the voters of Perry County for the opportunity of serving them as County Judge but was defeated. This did not turn me against my party and I went all out in two campaigns both County and State wide. Again I am asking you for this opportunity. As long as I can remember Joshua Smith has been running for office or has been in office. It is time for him to step aside and let a younger man have the opportunity he has had. Another opponent, Charlie Duff, served you as your Jailor. He too should be willing to give someone else the chance he had. Henry Wombles is in the strip mining and augar business.

I do not wish to make a lot of promises which cannot be fulfilled. There are some programs which need special attention. There are other programs which have not been put in operation. There are parts of Perry County which have been forgotten. I will strive to relieve this situation.

The people in the rural areas of Perry County need special consideration, under the rural road program. ALL of Perry County needs to be considered when roads are being built. Parts of Perry County have been neglected. There has been and will be money for roads. I pledge to the people of Perry County an all out effort in road construction with what money that is available for this purpose.

I am a Veteran of World War II, having served two years with the 1488th Engineers U. S. Army. After being discharged, I did not forget that I was a Veteran and have spent many hours helping the Veteran, their widows and families. I make a special appeal to the Veterans. I have helped you, now I am asking you to help me. As State Commander of the Veterans of Foreign Wars, I spent long hours in Frankfort and all over the State, working to get the Bonus passed. This Bonus not only helped the Veterans but also the teacher. I also ask the teachers to help me.

I have tried to see as many of you as possible and I take this means to reach those I have been unable to see. Vote for HOMER EVERSOLE on May 25th, Number 2 on the Ballot.

YANCY AMIS

Yancy Amis

FOR SHERIFF

Democratic Primary, May 25, 1965

To The Voters of Perry County

As pastor of the Johnson Baptist Church, of Buckhorn, Kentucky, I wish to make the following statements in behalf of Yancy Amis who is now a candidate for Sheriff of Perry County:

Our records show that he has been a member of this Church since 1934, and Deacon since 1941. He is also Chairman of the Board of Directors.

In performing the duties that are imposed upon a man holding these positions, I have always found Mr. Amis to be very sincere and Christian like in the fulfillment of the obligations that are involved.

As to his civic duties in our community, he and his family are always ready and willing to aid any person, or family in need of free transportation to and from doctors offices, clinics, or a hospital. At the time of death or funerals, you will again find YANCY AMIS and his family there to give whatever aid they can to those in grief. Their cars are always available to help transport people to and from services each Sunday.

As to his official records while serving the public as Deputy Sheriff and A.B.C. Agent in Perry County. They speak for themselves

I feel assured, should he be nominated and elected to this office, you will find him to be sober, honest dependable, and a Christian Gentleman while carrying out the many duties and obligations that you expect of your Sheriff.

Very respectfully yours,

BEECHIE JOHNSON, Pastor

Pineville Comes Awake During Kentucky Mountain Laurel Festival

PINEVILLE, Kentucky, is a pleasant, more or less sleepy little town sprawled on the banks of the Cumberland River where the river cuts its way through the mountains of Southeastern Kentucky—sleepy, that is for about eleven months of the year, for along about the middle of April every year there is an awakening—the town begins to rustle, as a bear breaking his long winter hibernation.

It's time to start work on another Kentucky Mountain Laurel Festival.

This event has been staged annually, except for the years during World War II, since 1931 by the people of Pineville. It is done without anticipation of great profit. These mountain folk just want some outsiders to enjoy, with them, the beauty of the Kentucky mountains in the spring, further decorated by twenty-two lovely feminine representatives from Kentucky colleges, and to extend the hand of mountain hospitality.

And if ever there was a community project, this is one. There are in the neighborhood of 3500 people in Pineville. On the Board of Directors of the Kentucky Mountain Laurel Festival Association there are 57 members — prominent people from all over the state.

This year there are 296 people serving on various committees for the Festival (there are 38 committees). There are 17 Princess candidates with escorts representing high schools in Southeastern Kentucky, numerous high school age court attendants, 22 Queen candidates with their escorts from colleges all over the state; there will be at least 15 parade floats which require an estimated eight per float to build. Also in the Grand Parade will be 20 high school bands with an average of 60 musicians each.

To handle the tremendous volume of traffic the Kentucky Division of Forestry furnishes 66 men and the State Police, 10.

Without including all the people who ride on the parade floats as decorations, the Boy Scouts and Girl Scouts who, in addition to furnishing marching units in the parade, help in many ways to make the Festival a success, and the members of all the civic clubs who play a tremendous role in the production of the pageant, these figures add up to 1,827 people who contribute directly to the Kentucky Mountain Laurel Festival.

Yes, it is a community project. And if you will visit Pineville between now and May 27, the opening date of this year's Festival you will see an unbelievable amount of hustling activity—for a sleepy little mountain town.

COUNTY TOO POOR

This Sheriff Pays Department's Bills

HAZARD, Ky.—(AP)—Whenever his staff needs something for the office, Sheriff Charley Combs usually digs into his own pocket for the money.

In four years this habit has cost him at least $15,000.

But instead of complaining, Combs is happy to have given a poor county a clean and efficient police force.

Perry County, like many in the mountains, is unable to pay for the equipment and supplies needed to run a sheriff's office.

Until Combs was elected in 1961, the county had no cruisers for the sheriff's staff and seldom any uniforms for deputies other than store-bought khakis.

It wasn't unusual to see a deputy sheriff hitchhike a ride to answer a complaint.

Combs immediately purchased two cruisers, complete with flashers and two-way radios. Then he bought smart uniforms for his deputies and equipped them with pistols.

His radio equipment includes a base unit and six mobile units. Another unit is in his home at Lothair.

The sheriff, who runs a profitable coal business and has other interests, decided to pay for the extras himself. Under the fee system he can make up to $7,200 a year as sheriff, but never has.
